Global FM Published its 2011 Annual Review

BRUSSELS, Belgium — (20 December 2011) — Global FM, the worldwide federation of facility management organisations, has released the 2011 Annual Review. The 2011 Annual Review sets out the vision and mission of Global FM, provides an overview of activities and summarises the financial position of the organisation.

Teena G. Shouse, CFM, IFMA Fellow, the Chairperson of Global FM stated:

“I am glad that I waited until the entire report was complete to write this quote (much to the dismay of the publisher). It offered me an opportunity to reflect on the progress of Global FM and take pride in the accomplishments of the efforts of the members, sponsors and management team. As I look toward the 2012 horizon I am filled with hope and excitement as to the possibilities. Keep an eye on Global FM and watch the good things to come. Better yet, jump in and be a part of it! Enjoy reading the Annual Report and let us hear from you as to your thoughts on our activities and ideas for assisting us in creating a higher profile and enhanced knowledge in Facility Management.”

The 2011 Global FM Annual Review will be circulated to all member organisations and can be downloaded from www.globalfm.org
